

TBCG 19th July 2023

Present:

Jenny, Abbe, Dave, John, Leanne, Brenna, Gael.

Pass the last meeting minutes 28th of June 2023: John and Abbe

Pass previous minutes dated 10th of May 2023 : Jenny and Brenna

Apologies: N/A

1. Invite Councillors along again?

- Could ask them to update about the beach.
- Jenny updated us that there are new natives being planted, new signage and captain cook has a new hate. The Path next to the beach has had lots of upgrades.
- Dave will ask for an update from a councilor representative at each monthly meeting.

2. Tested out the new equipment purchased. More testing needed.

3. Gael made a comment that the Notice Board for the Titahi Bay page there has been lots of content and great information for the community. Lots of new members.

4. Kirsten who pays for our website will send us an invoice, This will be about \$28 a year. We will reimburse her for the last few years and will continue to do so. It was noted that the website hasn't been updated for a while. It would be good if events etc. could be on facebook and on the website. A community calendar could be a good idea? May need moderation. Would need someone to drive it.

5. Request from Deepa Goswani council to come and talk to us about reducing household waste. They would like to connect with the community. Abbe will call and check what would work best and then we could host a community event??

6. Beach Planning project, Kate Boocock wants to know if we want to have a meeting about it? We could have a joint community event with people about reducing household waste? Abbe will follow up.

7. Financial statements complete and will be sent around by Brenna.

8. General election event? Discuss more at next meeting.

9. Next meeting talk about AGM date.

Next Meeting

Wednesday 9th August 630pm 2023

In person
